Regional International Hosts 13th Annual Customer Appreciation Golf Tournament

BATAVIA, NY – Regional International is proud to announce the completion of their 13th Annual Customer Appreciation Golf Tournament. The event took place Wednesday, July 30th at the Terry Hills Golf Course in Batavia, NY.

“Regional takes pride in the high quality products and services that we offer to our customers” says Regional International Dealer Principal, Jim Carello, “we extend that quality into every facet of our business including our dealership events.”

The tournament was a great success, and the dealership was proud to announce a record number of attendees this year with nearly 200 golfers. Not even the brief rain shower could dampen the spirits of the players.

The tournament is not only a social event connecting customers and vendors together, but according to Carello has a much larger purpose, “this tournament is a great way to say thank you to all of our loyal customers who have supported us over our twenty years of being in business.”
